Council Authorizes Hike Albany Garbage Rates

The City Council Monday night approved the first reading of an ordinance amendment to permit the raising of the monthly garbage rate from 50 to 75 cents for 30 gallons or less. The Council approved the 50 per cent increase 4 to 1, with Councilman Raymond Cleary casting the opposing vote. The increase was made at the request of the Oakland Scavenger Co. who said that increased operation costs made it impossible to continue collecting garbage at the present rate.

Fare Boost Approved for Key System

The State Public Utilities Commission announced Tuesday that the Key System Transit Lines has been granted fare increases for both local and transbay service.

The new rates will take effect in 20 days, the commission said. Local fares for any one zone will be boosted to 11 cents cash or 10 tokens for \$1. The present rate is 10 cents.

The use of tokens in travel from one zone to another will be discontinued and straight cash fares instituted, 20 cents for two-zone travel and 30 cents for rides in three zones.

The Commission thus reverses the present token system. Tokens are not now used on the one-zone rides but are used in inter-zone travel. Under the new structure, tokens may be used in one-zone rides, but not from one zone to another.

Transbay fares from the inner or central zone will be raised from 25 to 30 cents cash or 27 cents by commute book. Twenty-ride commute books will sell for \$5.40 and be honored in the month sold and the first succeeding month.

Transbay rates for the second and third zones will remain the same as they are. From Zone 2 it is 35 cents with a 20-ride, two-month commute book for \$6.30 and from Zone 3 it is 45 cents plus 15 per cent Federal tax and commute books for \$8.10.

Zone boundaries will remain the same as at present, the commission ruled.

Man Tells Mariners More Men Needed

Mr. Kimball, special FBI in charge of the San Francisco, told members and of the Albany Rotary Club that more "G" Men was needed to combat juvenile delinquency.

He said that delinquency is a city problem and that much more must be done to control its source. He said law enforcement can see signs of trouble and that the boys of Capone and other leaders.

He pointed out that the delinquents that developed from the slums are now the major adult delinquents.

Year alone, the FBI files show that the number of juvenile delinquents in California has increased 30 per cent in the past 10 years with an estimated over 10 million residents.

We have good law enforcement in California, but too few, he said.

He said a community should take stock and see what law enforcement problems it has.

It is your business to know what is going on in your community. It is your local police department that is the best solution to community problems.

Although the police are to be criticized and the community is to be commended, they are the best solution to community problems.

Mr. Kimball, who has been with the FBI since 1935, praised the work of Chief Stan Williams and his staff.

He said the Albany Police have been most cooperative in working with the San Francisco Police.

After a short business meeting, Mr. Williams emphasized the importance of regular attendance.

At the EXCHANGE CLUB meeting, Stan Williams, George Glavinovich passed many interesting tales of his life in Albany at last month's meeting.

Mr. Williams also in a reminiscing telling the group about his experiences in San Francisco, North Beach and Chinatown.

Albany Public Schools to Open on September 12

The doors of Albany Public Schools will open Monday, September 12, for registration of more than 3500 students, according to Superintendent Paul C. Bryan.

The largest enrollment in the history of the schools is expected with the greatest increase in the primary grades.

Many new teachers have been appointed by the Board of Education this summer to take care of the increased enrollment as well as vacancies created by resignations.

New teachers assigned to the Albany schools are:

Codornices School: Elizabeth Anderson, Marian Bennett, Verona Harris, Ethel Shelley, Margaret Stewart, Ann Seibert, Betty Lou Twitche, Beth Heckman, Helen Wolter, Ruth Brewer, Miriam Nelson, Olive Reeves, Charles Sudduth and Helen Wylie.

Cornell School: Thomas Coyne, Phyllis White, Patricia Young and Mabel Abland.

Marin School: Nancy Mel, Margaret Galbraith, Eloise Cameron, Alberta Ferth and Doris Hamel.

MacGregor School: Zelda Chevalier and Leona Heise.

Vista School: Nancy Berry and Dorothy Yokel.

Albany High School: Mrs. Nancy Peterson, girls' physical education; Mrs. Richard Hillman, English and dramatics; Craig Ortlieb, boys' physical education and mathematics; Mrs. Ruth Denham, home economics; Lester Broliar, social studies, and James Kinney, vocal music and social studies.

Miss Margaret Gilchrist will be back at Albany High School this fall after a year's leave of absence. She has been teaching in Japan.

Miss Helen Smith has been appointed principal of both the Vista and MacGregor Schools. Miss Smith has had extensive experience as a primary teacher in Santa Barbara, acting for three summers as principal of the Demonstration Elementary School conducted by Santa Barbara College. She has also served as a consultant in education for a book publishing company.

Church Group Plans Food Sale Saturday

The Women's Society of Christian Service of Albany Community Methodist Church will sponsor a food sale on Saturday, August 27 at the General Hardware Store, 1133 Solano Ave., according to Mrs. C. E. North, chairman.

Featuring a large selection of pastries, salads, homemade rolls and bread, hours will be from 10 a. m. to 5 p. m.

Albany Schools Not Eligible For State Aid

The Albany Unified School District will not be eligible for a loan from the proposed state bond issue for school buildings, Vaughn D. Seidel, county superintendent of schools said today.

The statement was made in correction of a recent release from his office in which Albany was listed among 19 districts thought to be eligible for state loans, if the voters approve Proposition One in the election of November 8.

If the proposed measure becomes law, a school district must have bonded itself to within five per cent or \$10,000 of its legal authority in order to qualify for a state loan.

Its need for additional classrooms within the next two years must also be greater than could be paid for with a 30 cent local tax over a period of 25 years.

Since Albany's property valuation has been growing at a rate somewhat in excess of that of its enrollment, it will not need outside aid for building purposes. Average daily attendance in Albany schools in 1947-48 was 3,475 and was 3,596 in 1948-49, an increase of three and one-half per cent. Assessed valuation for the two years was \$9,450,755 and \$11,068,570 which represents a gain of 17 per cent.

Scout Mothers Slate Rummage Sale Sept. 1

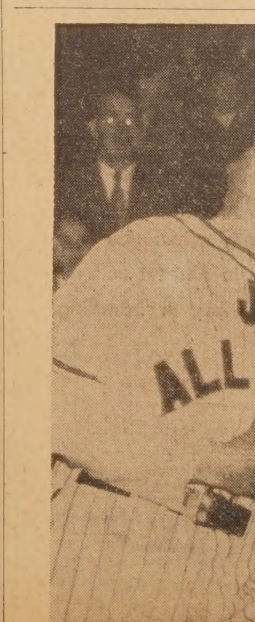

The Scout Mothers' Club, Albany Troop No. 45, have scheduled their annual rummage sale for Thursday, September 1 at 470 9th Street, Oakland.

Proceeds from the sale will be used to purchase new equipment for the Scouts.

Residents wishing to donate clothing, shoes, or discarded household items are requested to call the chairman, Mrs. Bernice Rogers, at LAnd. 5-7569. Members of the Scout troop will collect the donations.

WEST BERKELEY WOMEN

West Berkeley Women's Club will meet 1 p. m. Wednesday, August 31 at the Y.M.C.A., 10th and University Ave. in Berkeley. A pot luck luncheon will be served and whist will follow.

Albany's Billy Castell (right), one of the two Post-Enquirer All-Stars who competed last week in the Hearst Baseball Classic in New York, meets famed Yankee star Joe De Maggio before the game. Rabbit Maranville (left), manager of the losing New York All-Stars, makes the introduction. Billy, who arrived home Monday, pitched one inning in the game, fanning two batters. Also making the trip was P-E All-Star Gabby Quilici of San Leandro and P-E Sports Editor Pete Burneau.

BOND ELECTION SET

Eagles to Honor Fathers and Sons Monday Evening

A trick pistol shooting exhibition by Mrs. Betty Williams, wife of Albany Police Chief Stan Williams, will be the feature attraction next Monday evening when Albany Eagles stage their annual Father and Sons' Night at the Maccabee Hall.

Other program highlights will include motion pictures of last year's Army-Navy football game and films of the 1948 World Series.

President George Hein said today that an invitation has been extended to Brooks Holder and Dario Lodigiani, both of the San Francisco Seals, to be present and give brief talks on baseball.

Hein said the picnic held last Sunday at Alvarado Park was a big success, and that a record crowd was present to applaud those taking part in the various contests and races.

The outstanding attraction of the afternoon was an egg throwing contest, creating much laughter and entertainment for the by-standers.

Merchants contributing prizes for the contest winners were: Albany Tire Service, George Hein, William Donahue's Rainbow Paint Store of Richmond and Martinez, Blackett Liquor Store, Joe Thelen's, Blackett Club, Dagna's Market, Bob O'Brien's ArDee Square and Variety Store, Mary's and Joe's, Bellasano Service Station, Ellis-Olson Mortuary and Wackie's Albany Inn.

Registration Chairmen Named for Religious Education Classes

Registration chairmen for Week-day Religious Education in Albany Public Schools for the coming year were announced this week by Miss Ella Sowers, supervising teacher of the program sponsored by the Church Federation of Berkeley-Albany.

Chairmen for Albany Schools include Mrs. R. L. Hampton, Codornices; Mrs. Lewis Jones, Cornell and Mrs. J. W. Shepherd, Marin.

Registration for the classes held for children of the fifth through ninth grades takes place each September as parents sign a release card requesting that their children be excused one period a week for religious instruction in the faith of their choice.

Cooperating with the Federation are the Roman Catholic and United Evangelistic Churches of Albany and Berkeley.

The Albany Junior Chamber of Commerce made plans this week to install new Christmas decorations along San Pablo and Solano Aves. Christmas, making Albany the focal point of the Bay Area.

Classes are under direction of Vyts Belajus, internationally known folk dance authority.

Board Clears Officials on Union Issue

The Albany Board of Education went on record Tuesday evening with a vote of confidence in Superintendent Paul C. Bryan and Miss Margherita Mayall, director of Codornices Child Care Center, charged with anti-union activity by the CIO United Public Workers.

Mrs. G. Draw, business representative of the union, repeated charges that employees of the Child Care Center who engaged in union organization had been fired and that Miss Mayall had questioned employees on their union status.

The union further charged that Dr. Bryan had backed this policy.

In a three-page written reply, Dr. Bryan said that at no time had he penalized or taken steps to penalize employees who are union members. He said to the best of his knowledge, there were no regular employees and only three substitute employees who are affiliated with the United Public Workers.

He said that one of the teachers laid off refused substitute work as assigned while another neglected her teaching duties on union activity during working hours.

Dr. Bryan said Mrs. Draw made a series of charges that were unfounded on fact and cited "false statements and/or drew erroneous conclusions from conditions under which the Center must operate."

Mrs. Rose Eden charged that attempt at union organization three years ago had met with firing of two teachers. Dr. Bryan replied that he had not know that there had been a previous attempt to organize the teachers.

Three American Legionnaires, Ralph Buckwalter, Don Karns and Ralph Miners, appeared as representatives of Albany Post No. 292 opposing the union procedure.

Donald McBain Named City Health Assistant

Donald Z. McBain, University of California medical student, began duties last Saturday as assistant health officer for the City of Albany.

He was appointed to the post by Health Officer Dr. Robert McMahon on the approval of the City Council.

McBain's duties include checking facilities in local restaurants, taverns and all places where food is sold.

Folk Dance Classes Organized at Y.M.C.A.

The East Bay Merry Mixers have extended an invitation to everyone interested in learning or practicing folk and square dancing to join their classes conducted from 7:30 to 10:30 p. m. each Thursday at the Berkeley Y.M.C.A.

Classes are under direction of Vyts Belajus, internationally known folk dance authority.

Election Day Scheduled for October 11

Albany voters will go to the polls October 11 to vote on the proposed \$282,000 bond issue set by the Board of Education Tuesday night for city-wide school improvements.

Following a series of meetings with representatives of fraternal, civic and school organizations, the Board approved the bond election on August 2. The exact amount of the issue was withheld at that time in order that a complete and careful analysis of estimated costs could be made.

Superintendent Paul C. Bryan said the cost of the proposed bonds "will be extremely reasonable." He said the average yearly tax will be 11.4 cents on each \$100 of assessed valuation.

Bryan pointed out that an older bond issue will be paid up in another year, and by deducting the 7.4 cents paid in 1948-49, the new bond issue will actually increase the tax rate only 4 cents on each \$100 of assessed valuation.

The building program with the estimated costs include the following:

1. Cornell School: A new unit fully equipped including a library, a classroom, storage space, cafeteria with a kitchen and teachers' lunch room and administration office at an estimated cost of \$140,000.

2. Marin School: Two new classrooms with furniture, modernization of three classrooms, renovation of the present administration offices for library purposes, rewiring and relighting where needed, and installation of adequate auditorium ventilation. Estimated cost set at \$47,000.

3. Albany High School: Development of an athletic field now owned by the School District which will include bleachers, a field house and fencing, a turf football field, and a quarter-mile track with space for field events and a baseball diamond. Estimated cost, \$95,000.

Albany Legion, Auxiliary Hold Installations

Albany Post No. 292, American Legion and its Ladies Auxiliary have scheduled joint installation ceremonies for the evening of September 12, at the Veterans' Memorial Building. Installing officers for the respective organizations will be a past commander and past president.

Following an election last Friday evening, the Legion named Le Roy Holland as the new post commander.

Assisting Holland on the new staff are Arthur Carlson, first vice-commander; Don Karns, second vice-commander; Richard McAllister, adjutant; George Hill, finance officer; Gilson Talmadge, historian; Joe Benjamin, chaplain; Jude Banks, sergeant-at-arms and Howard Hill, service officer.

Named to serve on the board of directors were Stanley Edwards, Jack Hamilton, Ralph Buckwalter, George Mack, Dale Miners, Godfrey Hanson and Carl Waters, retiring commander.

The Auxiliary held their election last June, with Mrs. Jean Wollaston elected to the top post of president.

Other officers to be installed include Mrs. Laura Roderick, first vice-president; Mrs. Dorothy Bradlee, second vice-president; Mrs. Hazel McDuffee, secretary; Mrs. Marion Hill, treasurer; Mrs. Mabel Nelson, chaplain; Mrs. Anita Hill, historian and Mrs. Ethel Eubank, sergeant-at-arms. Members of the executive committee are Mesdames Margaret Hanahan, Ruth Sloan and Bessie Scott.

Three Albany Women On Kinney Committee

Three Albany women were named this week to serve on the committee of the Alameda County Sister Kenny Foundation. Local leaders backing the drive to raise \$150,000 to provide Sister Kenny facilities in the Bay Area are Mrs. Harold Denham, Miss Miriam Gilesean (of Albany High) and Mrs. Henry Villa.

Fern Wray-Charles Jones
Exchange Vows August 14

The Chapel of the First Congregational Church of Berkeley was the setting for the August 14 wedding of Fern Maebelle Wray of Albany and Charles Benton Jones of Berkeley. Dr. Laurence L. Cross read the 2 p. m. ceremony, and cake cutting festivities followed at the Thousand Oaks Blvd. home of the bride's mother, Mrs. Fannie L. Wray.

The bride's wedding gown was of organdy over satin, with a fingertip illusion veil secured by a seed pearl cap. White orchids, gardenias and bouvardia made up her bouquet. She was given in marriage by Stanley Marvin of Oakland, a family friend.

The trio of bridesmaids wore white organdy over pastel-tinted slips with matching bouquets. Eller Capusta of Oakland was honor maid and Paula Thorson and Evelyn Beaubien, both of Oakland, were secondary attendants. Mary Ann Michelbook was flower girl.

Roy Michelbook of Berkeley held the wedding band for the bridegroom and Kayo Denham and Theodore Fieldbrave, both of Berkeley, carried out ushering duties.

The bride is a graduate of Albany High School and San Francisco Junior College and attended the University of California School of Nursing. More recently she has been training at the Samuel Merritt Hospital in Oakland.

Good Roads Now
To State Fair

Motorists will be able to drive from the Bay Area to the California State Fair in Sacramento, September 1 through 11, faster and more safely this year.

Construction just completed provides a four-lane highway nearly all the way from the Bay bridge to the Capital City. State Fair officials pointed out. The State Department of Public Works announced that all new construction will be opened to traffic by the Fair's opening day on Thursday, September 1, and that all but about 10 miles now is four-lane highway.

The Fairfield by-pass, particularly, will speed traffic, since the slowdown through the city, with two stop lights, is eliminated. This will cut several minutes driving time from the trip. The department at the same time announced that motorists using all main routes to the State fair, will travel over 232 miles of newly improved highways.

Are you a keen judge of people?

Which are the largest P. G. and E. stockholders?

Are you a housewife, a president of a corporation, a clerk, a manufacturer, flagmaker, wrestler and a teacher. Each one owns stock in P. G. and E. Who owns the most?

How did you choose? Well, here are the facts: Housewives own the most. Teachers are next; then laborers, then manufacturers. And you probably didn't guess that the wrestler owns almost as much as the corporation president.

The figures are from a study of 4300 people who invested their savings in one particular P. G. and E. stock some years ago. They are typical and illustrative rather than actual. They show that in the final analysis—all are "Capitalists"!

One individual owns as much as 1% of P. G. and E. stock. Actually, we're owned by the 154,300 stockholders who've invested their savings in our company.

These invested savings, plus sound management, have enabled P. G. and E. to provide gas and electricity at rates among the lowest in the nation.

New 1950 Studebaker Makes Local Debut at Henry Villa's Showroom

The new 1950 Studebaker passenger car models are now being displayed in the showrooms of Henry S. Villa, Albany dealer.

"These are the automobiles which generated so much enthusiasm when they were previewed privately in New York and Chicago recently," Villa said.

"The new Studebakers are so entirely different in appearance that it is difficult to do them justice by trying to describe them," he said. "I am particularly anxious for the people of Albany to visit our salesroom and see the display."

The front end of the 1950 Studebaker is especially striking, Villa pointed out. It embodies an airplane fuselage-type hood, flanked by air-foil front fenders and set off by a chrome "spinner." In addition to providing an ornamental touch, the "spinner" augments four frontal openings which direct air to the engine for maximum cooling.

Villa believes that the complete change in frontal appearance and fender treatment will be of special interest to automobile enthusiasts. "It makes the cars look as if they are in motion even when they're standing still," he said.

Another important change is an increase in the standard compression of both Studebaker engines—the Champion and the Commander—from 6.5 to 7.0 to 1.

Newly designed instrument pan-

els are located about four inches further forward than previously, thus providing even greater space in the front compartment.

LEGAL NOTICE

ORDINANCE No. 602
AN ORDINANCE OF THE CITY
OF ALBANY AMENDING ORDINANCE
No. 535 ESTABLISHING
PROPERTY SET BACK LINE BY
AMENDING SECTION 2 THERE-
OF BY ADDING SUB SECTION
10 TO SAID SECTION 2.
THE COUNCIL OF THE CITY
OF ALBANY DOES ORDAIN AS
FOLLOWS:

SECTION 1: That Section 2 of
Ordinance No. 535 as adopted on the
30th day of April, 1945 is hereby
amended by adding thereto Sub-
section 10 which shall read as fol-
lows:

Sub-section 10: That the set-
back line of Lot 37 and Lot 44,
Block 6, Regents Park No. 4, is
hereby changed so that the set-
back line shall hereafter be as fol-
lows:

(1) That the set-back line on
the lots hereinabove described in
Section 1 of this Ordinance, be
changed from 15 feet to 4 feet
three inches.

SECTION 2: This Ordinance shall
be published once in the "ALBANY
TIMES," a newspaper of general
circulation within the City of Al-
bany, which said newspaper is here-
by designated for that purpose.

B. E. HILL,
Mayor of the City of Albany.
I hereby certify that the foregoing
Ordinance was duly passed and
adopted by the Council of the City
of Albany, State of California, at a
regular meeting thereof held on the
22nd day of August, 1949, by the
following vote:

AYES: Councilmen Blow, Gae-
ber, Cleary, Hays and Mayor Hill.
NOES: None.
ABSENT: None.

IN WITNESS WHEREOF, I have
hereunto set my hand and affixed
the corporate seal of the City of
Albany this 22nd day of August,
1949.

MYRTLE J. McLEAN,
City Clerk.

Pub.: Aug. 26, 1949.

ley chapter, American Red Cross,
to select candidates to earn the Red
Cross nursing pin. Volunteers will
choose their field of service from a
variety of Red Cross activities.

With the slogan "Enroll Beyond
the Line of Duty," a new program
of general service has replaced the
old policy of recruiting nurses only
for action in case of war.

Nurses may now receive the serv-
ice pin after volunteer work as
motor service drivers, staff aides,
canteen workers, fund campaign
solicitors, art and skills teachers, or

social welfare aides.
Fields of service more directly
related to nursing include first aid
or home nursing instruction, dis-
aster nursing, gray lady service and
hospital entertainment.

Appointment for interviews to
select nurses may be made by call-
ing Red Cross headquarters, BERK-
7-1430. Holders of the nursing pin
who are now now registered are
asked to reactivate their service.

Announcing the NEW 1950 STUDEBAKER

The leader leads again! A breath-taking new car!

A dynamic new triumph of Studebaker's overwhelmingly popular new
ideas on automobile designing! A 1950 Studebaker styled ahead—
and engineered ahead—for years to come!

AMERICA expects the unexpected from Stude-
baker—and here it is—the "next look" in cars!
Dynamically new in form and substance, this is a
truly inspired 1950 Studebaker.

Its styling is more distinctive than the "new look"
that Studebaker originated three years ago.

This is a complete line of completely new 1950
Studebaker cars—paced by a sensationally advanced
Studebaker Champion in the low price field.

Stop in for a look. New in eye appeal and new in

drive appeal, this breath-taking 1950 Studebaker is
starting another Studebaker buying wave.

The 1950 Studebaker stands out in advancements!

A new longer Champion and Commander! A new longer special Land
Cruiser sedan! • Self-stabilizing coil spring front wheel suspension •
Higher compression Commander and Champion engines of increased
horsepower • Wide-rim wheels and extra-low-pressure tires • Self-ad-
justing brakes • Symmetrically centered variable ratio steering • Over-
size windows and windshield • "Black light" instrument panel dials •
Wear-resisting Studebaker craftsmanship • Automatic hill holder
(extra cost on Champion only) • Gas-saving automatic overdrive
transmission, Studebaker Climatizer heating and ventilating, Stude-
baker-engineered Philco radio, available on all models at added cost.

STUDEBAKER'S REALLY ROLLING! STUDEBAKER'S FIRST WITH THE "NEXT LOOK" IN CARS!

"I traded for a New
Ford while my old truck
was still worth something"

"MY OLD TRUCK was just about ready for
retirement, but I couldn't get myself to take
the big step of buying a new one," writes Roy
Gigi, of Globe Produce Co., San Francisco.

"But, when the classified ads showed that
used truck prices were slipping, and when I
heard about the big trade-in allowances my
Ford Dealer was making, I decided to deal.

"I traded for a new Ford while my old truck
was still worth something. If I had waited a
few months longer, I would have had to take a
couple of hundred dollars less for my old truck."

The Ford F 6 Cab-Over-Engine shown has a G.V.W. rating of 36,000 lbs. G.T.W. rating
is 28,000 lbs. as a tractor. Ford offers over 150 other models from 145-h.p. Big Jobs
down to half-ton Pickups. Three engines, two V-8's and a Six. Million Dollar Cab.
